By signing this form you agree by the rules and directions given by Descend Rotorua or any other club or organisation that may be holding or organising the race, event or shuttle day.

You ride at your own risk and within your level of skill. You must wear a full face helmet when on any track.

Other safety equipment must be worn when racing. (e.g. elbow, chest, spine, knee, shin) where applicable by class.

Your bicycle and personal belongings are your responsibility.

Transport of you and your bicycle and equipment is at your own risk.

The maintenance of your bicycle is also your responsibility. If your bicycle is not deemed safe you will not be allowed to ride until you have remedied any problems as highlighted at the time.

Please be aware that there may not be ambulance or medical staff at every event. Basic medical supplies will be available. You are required to help other injured riders. If they are in need of further assistance please contact the event staff or designated medical staff. We hold events for the enjoyment of everyone. Please respect others.
